[Risk Management for Large Design Firms](#)

As the largest Insurance Broker Representative of Design Firms on the West Coast, Dealey Renton and Associates (DRA) has provided relevant content regarding risk management and insurance related issues to California's largest and most valued Design Firms for over 50 years.

We believe the articles below may assist in managing professional and business risk at a large firm.

[Privacy and Data Security Trends and Design Professionals](#)

Has your firm evaluated the cyber risk arising from your firms professional and business practices? Tim Toohey, Morris Polich & Purdy discusses these risks and the *Year Ahead in Privacy and Data Security*.

[Nailing Down the Scope \(Without Screwing Up Your Client Relationship\):](#)

XL Group's Bob vanArsdall, and PSMJ's Dave Burstein explain the results of poor scope communication and provide risk management tools you can use to craft a better scope of work that truly meets your clients' needs. FREE RECORDED WEBINAR w/1.5 AIA/CES/PDH also available!

[Municipal Advisors Registration Begins July 1st: Are You In Compliance?](#)

Do your services place you in the role of a Municipal Advisor? Amy Kroll, Bingham McCutchen LLP recently summarized the requirement in Engineering, Inc. If you're subject to the new SEC requirements, make sure you talk with DRA about potential insurance implications.
